

Since 1992, Energy Southeast and its Members have awarded more than \$3.6 million in scholarships to graduating high school seniors whose families receive electric service from an Energy Southeast Member. Participating Members include: Alexander City, Dothan, Fairhope, LaFayette, Lanett, Luverne, Opelika, Piedmont, Riviera Utilities, and Sylacauga.

All scholarship application materials, including required attachments, must be received by Energy Southeast by February 12, 2027. Applications that are incomplete or received after the deadline will not be considered.

Energy Southeast is committed to fairness and equal opportunity. The organization does not discriminate on the basis of race, color, sex, religion, national origin, or any other protected category in the application process or in awarding scholarships.

ELIGIBILITY REQUIREMENTS

To be eligible, the applicant must be a graduating high school senior whose parent or legal guardian receives electric service from an Energy Southeast Member utility. Recipients must attend an accredited four-year college or university, community college, or vocational/trade school within the state of Alabama.

REQUIRED DOCUMENTATION

- Official High School Transcript
- Official ACT or SAT Score Certificate (if copy, please have counselor sign it)
- Please attach a resume of all school extracurricular, church, community service, work experience and/or volunteer activities that you desire to be taken into account in your application.
- Two (2) Letters of Recommendation (No letters from relatives accepted)
- A copy of your most recent electric bill from the member city or utility

SCHOLARSHIP AWARDS

A total of 44 scholarships, each valued at \$2,500, may be awarded. Each member city or utility may provide:

- Two (2) scholarships for students attending a four-year college or university
- Two (2) scholarships for students pursuing community college, vocational, or trade school programs

SCHOLARSHIP CONDITIONS

The terms and conditions on which the scholarships are to be made for the 2027 scholarship year are as follows:

1. The scholarship will only be granted to graduating high school seniors.
2. In order to qualify for the PowerUp Scholarship, the applicant must be a dependent of an electric customer of an Energy Southeast Member city/utility at the time the application is made and through graduation from high school.
3. To qualify for the PowerUp Scholarship, the student must attend a four-year college, community college, or vocational/trade school in the state of Alabama.
4. The PowerUp Scholarship will be paid by Energy Southeast directly to the educational institution for credit to the student's account at the institution.
5. The PowerUp Scholarship must be utilized within 16 months following the student's graduation.
6. The PowerUp Scholarship will be announced and awarded in the spring.
7. Incomplete applications (including all attachments) will be disqualified.
8. If awarded, the PowerUp Scholarship recipient may be asked to submit their senior portrait or a similar type of picture. This picture may be shared on social media, on the Energy Southeast website, or in press releases. Providing a photograph and consenting to its use is voluntary and is not a condition of receiving or retaining the scholarship award.

☐ **By checking this box, you consent to the use of the photograph as described above.**
